Section F: Promissory Note (Continued on reverse side)

Promise to Pay:

I promise to pay to the U.S. Department of Education (ED) all sums (hereafter "loan" or "loans") disbursed under the terms of this Promissory Note (note) to discharge my prior loan obligations, plus interest, and other fees that may become due as provided in this note. If I fail to make payments on this note when due, I will also pay collection costs including but not limited to attorney's fees and court costs. If ED accepts my application, I understand that ED will on my behalf send funds to the holder(s) of the loan(s) selected for consolidation in order to pay off this loan(s). I further understand that the amount of this loan will equal the sum of the amount(s) that the holder(s) of the loan(s) verified as the payoff balance(s) on that loan(s) selected for consolidation. My signature on this note will serve as my authorization to pay off the balance(s) of the loan(s) selected for consolidation as provided by the holder(s) of such loan(s).

This amount may be more or less than the estimated total balance I have indicated in Section D. Further, I understand that if any collection costs are owed on the loans selected for consolidation, these costs may be added to the principal balance of the consolidation loan.

I understand that this is a Promissory Note. I will not sign this note before reading it, including the text on the reverse side, even if I am

advised not to read the note. I am entitled to an exact copy of this note and a statement of the Borrower's Rights and Responsibilities. My signature certifies that I have read, understand, and agree, to the terms and conditions of this note, including the Borrower Certification and Authorization printed on the reverse side and the accompanying Borrower's Rights and Responsibilities.

If consolidating jointly with my spouse, we agree to the same terms and conditions contained in the Borrower Certification and Authorization. In addition, we confirm that we are legally married to each other and understand and agree that we are and will continue to be held jointly and severally liable for the entire amount of the debt represented by the Federal Direct Consolidation Loan without regard to the amounts of our individual loan obligations that are consolidated and without regard to any change that may occur in our marital status. We understand that this means that one of us may be required to pay the entire amount due if the other is unable or refuses to pay. We understand that the Federal Direct Consolidation Loan we are applying for will be cancelled only if both of us qualify for cancellation. We further understand that we may postpone repayment of the loan only if we provide ED with written requests that confirm Federal Direct Consolidation Loan Program deferment or forbearance eligibility for both of us at the same time.

I UNDERSTAND THAT THIS IS A FEDERAL LOAN THAT I MUST REPAY.

Account No. XXXXX9159

I certify that U.S. Department of Education records show that the borrower named above is indebted to the United States in the amount stated below plus additional interest from 02/22/08.

On or about 09/23/04, the borrower executed a promissory note to secure a Direct Consolidation loan from the U.S. Department of Education. This loan was disbursed for \$20,720.53 and \$12,623.16 on 10/28/04, at 4.25 percent interest per annum. The loan was made by the Department under the William D. Ford Federal Direct Loan Program under Title IV, Part D of the Higher Education Act of 1965, as amended, 20 U.S.C. 1087a et seq. (34 C.F.R. Part 685). The Department demanded payment according to the terms of the note, and the borrower defaulted on the obligation on 09/24/05. Pursuant to 34 C.F.R. § 685.202(b), a total of \$686.72 in unpaid interest was capitalized and added to the principal balance.

The Department has credited a total of \$0.00 in payments from all sources, including Treasury Department offsets, if any, to the balance. After application of these payments, the borrower now owes the United States the following:

Principal:	\$34,030.41
Interest:	\$4,086.83
 Total debt as of 02/22/08:	 \$38,117.24

Interest accrues on the principal shown here at the rate of \$3.96 per day.

Pursuant to 28 U.S.C. § 1746(2), I certify under penalty of perjury that the foregoing is true and correct.
